

Amos leaves for Hayes

WYCOMBE WANDERERS leading scorer this season, Tony Amos, has left the club after being told by manager Brian Lee there was no place for him in the team. He is expected to sign for one of his former clubs, Hayes.

Mr. Lee admitted that Amos had been a disappointment to him this season. The player joined in August having been sacked from Slough Town, despite the fact that he was their top scorer with them last term.

Prior to that, he was the Athenian League's top marksman with Hayes and undoubtedly had a big reputation to live up to when he came to Loakes Park. But although topping the Wycombe goalscoring charts this year with a total of 23 goals, Amos never really settled into the side and with Keith Searle

re-joining the club, his centre forward spot was in obvious jeopardy.

There were some memorable goals among his 23 for Wanderers but he also missed countless opportunities as Wycombe fans will testify. Two of his best goals were against St. Albans — a 30 yard free kick and at Dulwich Hamlet — when he ran half the length of the field to score.

He played 24 Isthmian League matches with the Blues, being substitute five times, seven

Premier Midweek (sub 5 times), two Berks and Bucks appearances (sub once), two F.A. Cup and one Amateur Cup appearance. He also played in five friendlies.

WILLINGTON VISIT

With the Amateur Cup final tomorrow (Saturday) between Bucks club Slough Town and Walton and Hersham at Wembley, Wanderers, and most other senior amateur clubs, are without a game. Wycombe, however, play a friendly against Willington, a Northern Premier

club tonight (Friday) at Loakes Park.

For many years, Willington have been one of the top Northern clubs and many will remember their one and only appearance in the Amateur Cup final in 49/50 when they thrashed mighty Bishop Auckland 4-0.

The 60's weren't so successful for the club, however, but in the past three years they have come up again. Their present league record reads P 30, W 18, D 5, L 7, Goals for 58, goals against 27. They also have a good chance of finishing runners up to Blyth Spartans, whom they beat 5-1 in a recent league game.

Although Willington have rarely provided players for the England squad, three of their members have played in representative teams — Jack Foster, Brian Newton and Tommy Holton. Six of them have also represented Durham County. The players will be staying for a social evening in the Blues club after the match and going on to Wembley tomorrow.

Wanderers will be without Kenny Swain who is unavailable and Derek Gamblin who has missed the last couple of games with ankle trouble. Peter Spittle, Brian Langfield, Mick Holifield and Alan Gane are all likely to play.
